

Document Title:	Secure Syringe Filler – Declaration of Conformity	ROCKMED
Document Number:	SSF-DOC-001.01	

DECLARATION OF CONFORMITY (DOC)

(According to Directive 2006/42/EC)

Manufacturer:

Rockmed Pharma BV
Moorland 3F
5688GA Oirschot
The Netherlands

We hereby declare under our own responsibility that the below described machine complies with the relevant provisions of the following Directive and Regulations

- Machinery Directive: 2006/42/EC
- Electrical Safety: IEC 61010-1 and IEC 61010-2-81

and the **CE** mark is affixed accordingly.

Machine Details:

- Name: Secure Syringe Filler
- Model: v2.3
- Serial Numbers: R050014-V2.3-001 - R050014-V2.3-010
- Function: the Secure Syringe Filler is designed to semi-automate the preparation of syringes by accurately filling small volumes of (pharmaceutical) liquids from a larger dosing syringe into multiple smaller Ready To Administer (RTA) ophthalmic syringes.
